Miami Conference Attendance Exceeds 2008

Attendance at MAGI's Clinical Research Conference in Miami was 420, exceeding the 2008 conference by 10%. This conference may be the only one in clinical research with an increase in attendance. Ninety-seven percent of attendees were satisfied with the conference.

Next conference will be in San Diego October 4-7, 2009

The next MAGI conference, in San Diego October 4-7, will build on our expanded format of six tracks: sponsor operations, site operations, contracts, budgets & billing, regulatory & ethics, and special topics. Over 100 sessions and workshops will provide practical material for clinical research professionals. Over 20 CME and CNE contact hours will be available.

Join MAGI today

MAGI's flexible model clinical trial agreement streamlines the process of negotiating clinical trial agreements, thereby taking months out of the drug development timeline and speeding medical products to market. It also reduces study start-up costs and aggravation for sponsors, sites and CROs. Our 3,000+ current members represent most of the major players in the industry.

Membership is free. Learn more about joining MAGI or sign up today at <http://magiworld.org/>.
